

Muskogee Tourism Authority Community Support Program

The Muskogee Tourism Authority sets aside funds in their fiscal budget to assist with development and promotion of local events and projects that demonstrate an economic impact through overnight hotel stays, sales tax generation, enhancing the visitors experience and/or publicity of Muskogee as a destination for visitors.

HOW TO APPLY FOR A COMMUNITY SUPPORT GRANT:

Applications and all supporting documentation must be submitted 90 days prior to the project, and by the 5th of each month to be heard at that month's meeting. The Community Support Advisory Committee, a sub-committee of the Muskogee Tourism Authority, will review the completed application and make a recommendation to the full MTA Board for official action. If you wish to make a presentation to the sub-committee after the submission of your application, please email a request to Director@VisitMuskogee.com.

GUIDELINES:

The Community Support Committee will consider such factors as the type and scope of the organization or agency applying, the effect and impact of the project on tourism, the time span in which the project will be completed, the amount of funding requested, the project's ability and intent to attract overnight visitors to Muskogee on a continuing basis, and the overall merit of the event. Determinations will be made on a case-by-case basis.

Please consult the Community Calendar of Events at www.visitmuskogee.com/calendar to ensure that your project does not conflict with other events, especially those requiring lodging accommodations.

SUPPORT AND SERVICES AVAILABLE:

MARKETING ASSISTANCE

Monetary support is given for the sole purpose of advertising efforts outside of Muskogee, with the intention of drawing overnight guests to the event. A media plan and marketing budget is required at the time the request is submitted. A post event report is required to have a detailed marketing report attached. ***Upon approval of Marketing Assistance, requests for advertising assistance require a minimum of two months advance notice.***

EVENT SPONSORSHIP

Monetary support is given to projects in exchange for recognition in all promotional advertising. The amount of sponsorship will be determined by the number of anticipated visitors and hotel rooms used. Normally, this is to be considered "seed money" for new events in Muskogee with the expectation that it will become regular or annual with a sponsorship base and grow to no longer need funding assistance. **THIS IS NOT A SOURCE OF PERMANENT FUNDING.** The Muskogee Tourism Authority reserves the right to deny funding requests that fail to meet these criteria. If post event reports are not submitted within 60 days, the event may not be considered for future funding assistance.

All print ads and materials must carry the Visit Muskogee logo and all radio and TV ads must carry the same tag line as part of the audio. A Tourism Partner logo will be provided upon approval. Failure to comply with these requirements, cancellation or change of event from that which was presented, or the use of any logo other than the one provided will result in consideration by the Muskogee Tourism Board to disqualify the event from future funding as well as a possible request for remittance of funds granted.

Other Sources of Funding The Muskogee Tourism Authority does provide alternate sources of funding outside the Community Support Grant Application, but only once this application packet has been submitted. Eligibility and grant amounts are decided by the Muskogee Tourism Authority Board. For more information, please contact Jordyn Jorgenson, Executive Director of Tourism: Director@VisitMuskogee.com.
